OVERVIEW: We believe that all students can graduate with the ability to be successful in college, work, and life. We will achieve this by continually improving instructional practices in every classroom, in every building in the District. In order to achieve this, we—the Grandview School District, are committed to focus on teaching and learning as a top priority. We will work collaboratively by sharing our classrooms on a regular basis for learning opportunities, giving and receiving feedback, coaching, and participating in quality professional adult learning communities so we develop our own skills as instructional leaders across the district.

SPECIAL PROGRAMS OR INITIATIVES—AP Classes, Gear-Up, Dual Language Instruction, Professional Learning Communities, 21st Century, AVID, BEST, and Literacy, ELL, and Mathematics Professional Development and Coaching.
